

PVC STRIP CURTAINS: FREEZER GRADE

PVC STRIP CURTAINS

Our freezer grade, ready-to-dispatch strip curtains are designed to fit standard walk-in chiller and freezer applications, ideal for use in the cold storage industry. Our crystal clear, freezer grade PVC strip operates well down to -40°C and remains soft and flexible without becoming brittle, ensuring ease of passage at very low temperatures. The strip curtain ensures hands-free access through openings at an economical price.

PREMADE OPTIONS

Opening widths from: **1000mm - 2000mm**

Opening heights from: **2100mm - 2500mm**

SUSPENSION OPTIONS

Our premade kits are available with our plastic bullet rail and our stainless steel hook type suspension system. The hook type system is the most economical and offers the industry standard and the bullet offers the most aesthetically pleasing system for environments that may be visible to customers.

WHY SHOULD YOU INSTALL?

Our freezer grade strip curtains are suggested for use in commercial and food environments where a robust secondary seal is required in addition to doors.

This freezer grade strip curtain kit is an economical solution for covering doorways in cold-stores, ensuring there is no loss of temperature and that food and perishable goods are preserved correctly.
